

2016 Summer Library Reading Program Performing Arts Series

123 Andrés "Ready, Set, Go Around the Americas!"

The audience will accompany 123 Andrés on a movement-filled marathon around the Americas with stops to learn about music and dance. 123 Andrés encourages children and their families to share experiences, joy, and laughter through songs and movement. He performs bilingually in English and Spanish and provides his own accompaniment with guitar, clarinet, and saxophone.

Performing Series:

This show is approximately forty-five minutes in length and is sure to have everyone on their feet and singing as they learn about the diverse culture of the Americas.
