Hip Hop Fundamentals

“The Principles of Hip Hop: Peace, Love, Unity, & Having Fun”

Hip Hop Fundamentals is a diverse team of B-Boys (breakdancers) who use their footwork, freezes, and powermoves to inspire, educate, and entertain young and old alike. But, don't be fooled. These guys can pop lock, head spin, and floor rock with the best B-Boys and B-Girls around. Using the dynamic American art form of Breaking, interactive conversation, and audience participation, Hip Hop Fundamentals will guide the audience on an exploration of hip hop music and dance, and its diverse history.

Performing Series:

This program stresses respect, youth empowerment, health and fitness, cooperation, and active learning. The show is approximately forty-five minutes in length.
