Hooked on Books

by Mark Lohr

**Is it possible to learn and laugh
at the same time? It sure is!**

In Hooked on Books, mild-mannered Mr. Jones sits down one day to enjoy a television program. He is interrupted by a public service announcement that makes him aware of the epic battle that is raging between TV and books.

Mr. Jones is jolted from the comfort of his easy chair into hilarious escapades that make him realize that reading is an exciting way to gain new skills, see new places, meet new people, and experience more “channels” than watching TV ever could! Join the fun with master comic, Mark Lohr!
