Bring your child to the library for this **FREE** program.

The activities will focus on friendship, kindness, and unity.

We are all a piece of a bigger puzzle – Diversity is what makes things interesting & everyone brings a unique perspective to our lives and in our world.

Some activities will be STEM and STEAM related to encourage participants to be creative! Create a puzzle piece to be a part of a mosaic, art projects, read aloud, games, STEM challenges to build a bridge & tower, and more!

IT'S FREE! - NO GEAR REQUIRED - GRADES K-5TH
