

talkspace

Virtual Mental Health Services

Delaware Libraries has partnered with **Talkspace**, a virtual mental health counseling service, to provide free access for adults & teens to achieve better mental health.

Benefits:

- ✓ Eliminate commute time & scheduling hassles
- ✓ No search for a therapist - get quality matches!
- ✓ Seamlessly switch providers
- ✓ Receive high-quality mental health care
- ✓ And, it's Free with Delaware Libraries!

Delaware Partners
**Better
Together**

***For Delaware residents, 18 years or older.** Must have basic technology proficiency & limited or no prior mental health counseling. **Please note:** this is a short-term service and would not benefit someone with more severe, long-term mental health needs.

Service is covered by an ARPA grant (American Rescue Plan Act)
